

SIP Liverpool Plus

Science Industry Partnership

SIP Liverpool Plus brings the science-based sector together on skills in the region. By joining this SIP local forum you will gain direct insights into what others are doing, as well as keeping up-to-date with skills funding and policy.

Member benefits include:

- Quarterly skills networking meetings to share best practice and new thinking
- Influencing core and specialist skills delivery in your area
- Collaboration to establish and enhance apprenticeship delivery through a consortium approach
- Involvement in apprenticeship standard development
- Quarterly skills and policy information bulletins
- Access to local careers outreach training and resources through the SIP Ambassador Programme
- Participation in a series of technical webinars on a range of skills and education subjects
- Understanding how apprenticeships might enhance the talent pipeline
