Did you know...

## Brian Cox

- Professor of High Energy Particle Physics from the University of Manchester.
- He is a particle physicist working on the ATLAS experiment at the Large Hadron Collider in CERN, Switzerland.
- He is best known as the presenter of a number of science programmes for BBC television.
- Cox revealed on The Jonathan Ross Show that he performed poorly on his Maths A-level: “I got a D... I was really not very good... I found out you need to practise”.
