Tim Berners-Lee

English computer scientist and inventor of the World Wide Web.

Tim Berners-Lee

- Sir Timothy John Berners-Lee born on the 8th June, 1955.

- He is an English computer scientist, best known as the inventor of the World Wide Web.

- He made a proposal for an information management system in March 1989, and he implemented the first successful communication between a Hypertext Transfer Protocol (HTTP) client and server via the Internet that same year.

- In 2004, Berners-Lee was knighted by the Queen for his pioneering work.

- He was named in Time magazine's list of the 100 Most Important People of the 20th century.
